Building Engineer

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion of the waters of an underground source (Las Vegas Artesian Basin) as heretofore granted under Permit No. 9243 the subject of certificate No. 1858 is issued subject to the terms and conditions imposed in said Permit No. 9243 and with the understanding that no other rights on the source will be affected by the change proposed herein. As this source is located within an area that has been designated by the State Engineer as coming within the meaning of the provisions of the 1939 Underground Water Act as amended in 1943 the State Engineer reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.1 cubic foot per second.

Actual construction work shall begin on or before October 20, 1945

Proof of commencement of work shall be filed before November 20, 1945

Work must be prosecuted with reasonable diligence and be completed on or before October 20, 1946

Proof of completion of work shall be filed before November 20, 1946

Application of water to beneficial use shall be made on or before October 20, 1947

October 20, 1947. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 20, 1947

Proof of commencement of work filed JUN 22 1945

Proof of Completion of work filed OCT 20 1945 WITNESS MY HAND AND SEAL this 18th day

Proof of Beneficial use filed OCT 20 1945 of April, 1945

WITHDRAWN BY APPLICANT OCT 28 1976
